

Christmas Elephants Tutorial

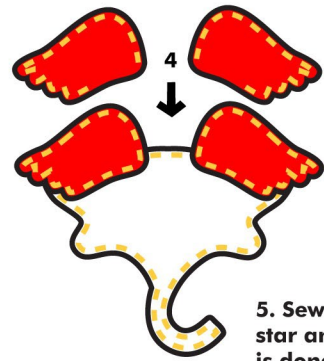

1. Cut out the felt pieces.

2. Stick the eyes in the head and turn the metal part around.

3a. Put the head parts on top of each other and sew along the edge. Leave the top open to stuff him.
3b. Stick the golden rope in between. Sew along the edge to close the hole.

4. Sew along the edge of the wings. Then sew the bottom part of the wings on the back of the head.

5. Sew or glue on the star and your elephant is done!
